Verse 2

I need a change, a good long vacation
 Away from here and then I'll arrange to
 Forget about love
 Somewhere new, blame it on my heart
 Somewhere new and then I can start to
 Forget about love

Chorus

Next time
 I won't forget
 I will be sure

Bridge

But it's a fire...

Verse 3

One more time, oh no never
 A promise to myself
 And next time I'd better just
 Forget about love
 So come on friends won't you say something please
 If you see me bend or weak in the knees
 Say "Forget about love"

Forget about love
 forget about love
 Enough is enough
 Say forget about love
