1st Guitar Break

Verse 3

I'm not looking for trouble  
 But I've had enough of blue  
 I looked in the mirror and had to make a choice  
 Darling, didn't mean to hurt You  
 Of course I could write a letter  
 Maybe put this in a song  
 It's been nice, darling, I love you too  
 But take a look and I'm gone

Chorus

But all right, friends tell me it's easy  
 Friends think I'm crazy  
 Friends think I'm simple  
 But I don't know  
 All right, easy  
 Tell me it's all right  
 I don't know

 I'd like to stay forever  
 But I'm feeling filled up and full  
 So I've packed my bags, I've found the key  
 I guess it's time to go

Chorus

But OK, friends think I'm crazy  
 Friends think I'm stupid  
 But I don't know, I don't know

Verse 2

I'll be looking for sunshine  
 Had enough of this rain  
 Course it's true, I'm sad about leaving  
 But I'm not going to stay that way  
 You can't say we never tried now  
 You know we did what we could  
 'Course I always know that there is more that you can do  
 But it doesn't always mean that you should
