## Verse 2

But maybe you won't see it  
 Or believe that he is true  
 I know just how you think, love  
 I remember me and you  
 But perhaps now fortune's falling  
 At last them on the side  
 And you said that you were lonely  
 Perhaps now it's the time  
 Oh he's devoted  
 I remember that emotion

## Verse 3

What's wrong with passion?  
 And never mind the chains  
 Forget about your losses  
 You said it's time to change  
 Will you listen when I tell you  
 I believe his aim is true  
 Then believe it is my wish, love  
 Cause I remember me and you  
 Oh, he's devoted  
 I remember that emotion
